Dear Parents & Guardians,

Happy springtime to you and your families! As always, I would like to welcome new families to the Morse Community School! And thank any returning families for entrusting your children to our care & supervision, yet again. The Community School program has enjoyed a very successful school year, as we near the end and prepare for Camp Big Adventure (a licensed eight week summer program), which begins on Monday, June 24, 2013. Thank you for your support with helping to make our program a success. I

Our spring enrichment program will begin on Monday, April 22, 2013. Please pay close attention to the grade levels, which have changed from JK-2 & 3-5 to JK-1 & 2-5. One of the main reasons for the change is our growing number of children in grades JK-1 and our decreasing numbers in students' grades 4-5. I suggest selecting classes from the at a glance grid in the back of the brochure for clearer viewing. The classes are age specific and children cannot be enrolled in a class that does not correlate with their grade level. You may select classes listed on the specified day that it is offered in this current semester only. If the wrong information is listed on the registration form, it delays the enrollment process and you may potentially lose out on registering for a class. There will be an 8 -12 maximum of students in each class (depending on grade level) and a class will most likely be cancelled when fewer than 6 students register for it.

If you are a new family to our program, you are required to complete the Department of Human Service Programs (D.H.S.P.) form and Emergency Card along with full payment based on the classes you have selected. The fee attached to each class is for the semester (**and not per day, week or month**). Forms for new families can be found in the Morse Community School office (room D46) or Morse School lobby from 2:00-6:00 pm. Forms from returning families who were enrolled during the summer (Camp Big Adventure) to the winter semester (September – April) will remain on file until June 2013. Registration is on a first come first serving basis. The deadline to apply is Wednesday, April 17, 2013. However, a class will remain open until filled after the deadline.

Full payment is expected at registration; however a payment plan approved by the director is another option. A one-time \$20.00 registration fee for the school year is required for each child with your payment. Partial scholarships are available to families that qualify. If interested, please request a financial aid form from Stan Rogers, Community School Director. The form must be accompanied by your family's proof of income (last four pay stubs or 2012 W2 form). All payments (checks and money orders only) must be made payable to Morse Community School. Please include your child's name on your payment option and keep a copy of your payment for your record (cancelled check or money order stub) for tax purposes. The program will not provide individual receipts due to the high volume of bookkeeping.

Once your child is enrolled, please call the Community School office directly (617-349-6291) or email (srogers@cambridgema.gov) if your child will be absent, late, picked up early or picked up by someone else. We take attendance daily and advance notice will help us to be accountable for your child's safety. Also, please sign your child out each day at pick-up time. A late fee of \$1.00 per minute will be assessed to families if children are picked up past their designated pick up time. Payment is expected within 48 hours or service will be suspended.

I look forward to your family's suggestions, comments and feedback to further enhance our program. Please see page three for some important date that you may post in a preferred location in your home. Thank you for choosing the Morse Community School, a program of the City of Cambridge – Department of Human Service Programs.

General Information and Policies

Registration Policy

1. If you wait, you may be too late! Please sign up by the registration deadline **Wednesday, April 17, 2013**, as space is limited. Classes will be cancelled if minimal enrollment is not achieved by the registration deadline. Late registration will be accepted subject to availability only. **All registrations are accepted on a first come first served basis.** There is a \$20.00 registration fee per child, per academic school year to cover administration costs. Classes cannot be attended until the following is received:

- **Registration form (with Class List)**
- **Emergency card**
- **DHSP/IEP Consent form (Individual Education Plan) if applicable**
- **A written payment plan specifying payment dates is developed or full payment is received**

* If an emergency card & DHSP/IEP form is already on file from Camp Big Adventure to the Winter Enrichment Classes 2013, then you do not have to complete another.

2. You may only drop a class after the first full week (4/22/13 – 4/26/13). After the first week no refunds will be made unless certified medical documentation is received. **All changes must be made in writing/emails only**, no phone calls or voicemail.

3. The Morse Community School reserves the right to cancel or consolidate classes that do not support themselves financially. All programs operate on a self-supporting basis and must obtain a minimal enrollment in order to operate for a semester.

4. Confirmation of your classes will not be made. You will be notified only if you are not in a class due to either full enrollment or class cancellation. Your cancelled check is your receipt.

5. A full participant list will be posted on the sign-out table located in the main lobby. With advance notice you may also request a copy of your child's schedule.

6. To be certain your child participates fully in the classes, please discuss the schedule with your child and encourage him/her to choose classes based on his/her own interests. Choosing classes for your child could possibly lead to him/her demonstrating unacceptable behaviors indicating a lack of interest. If at any point you and your child decide a class change is needed, please make requests in writing.

7. Please remember classes are enrolled on a first come first served basis, especially individual music lessons. Students will be scheduled only when all paperwork is completed and payments are paid in full (or a written payment plan with specific dates is received). Any family with an outstanding balance will not be able to enroll in the next semester.

8. Enrollment will be ongoing after the registration deadline of **Wednesday, April 17, 2013** per availability of classes that are not fully enrolled.

The Morse Neighborhood Council

The Community School Program at the Morse is seeking local parents of the after school program to serve on the Neighborhood Council. Council membership is open to all participants of the Morse School and the surrounding neighborhood. The goal of the Council is to meet regularly (Tuesday, May 21, 2013 @ 6:00 pm) with the Community School Director to address the needs of the Community School Program & neighborhood. For more information or to sign up, please contact Stan Rogers @ (617) 349-6291 or email: srogers@cambridgema.gov

The Morse Community School provides:

- After school enrichment classes for children, adults and families.
- Community field trips, special events and family nights
- February & April Vacation activities
- Summer Camp and year round activities

Community School End of School Day Pick-up Procedures

Participants with completed registration forms will be picked up in their individual classrooms by Community School staff. This is the pickup process for preschoolers – second graders only. The older grades (3-5) should come directly to our designated meeting place (cafeteria) after dismissal from class for the day. A list of children enrolled in the classes will be given to your child's teacher after the conclusion of the first week of classes. In order to avoid a late fee, parents must pick up children at one of three scheduled pick up times: 4:00 pm, 5:00 pm or 6:00 pm. Children are not permitted to attend any classes until the registration process is completed.

Late Fee

The Morse Community School late fee is \$1.00 per minute, as measured by the classroom clock for every minute after the program end time (4:00 pm, 5:00 pm or 6:00 pm). Late fees must be paid within 48 hours or the child cannot return to the program. Please call the program cell phone at (617) 820-7458 to inform the Director if you are going to be late in order to make the waiting less stressful for everyone; however, calling does not waive your late fee. Excessive lateness may result in suspension of services.

Please assist us by picking up your child promptly at the end of his/her class or make other arrangements to have your child picked up on time.

Sign-out Table

When you pick up your child at the end of his/her day, please sign him/her out at the sign-out table located in the main lobby by the cafeteria. Program updates and community information will be posted on the sign-out table. Please check the table daily for changes in the schedule and other important information.

Community School Closings

Community Schools are not open on public school holidays or when schools are closed due to inclement weather or emergencies.

Early Release Days

Regular scheduled classes will not be held on early release days. A special activity or field trip will be planned for an additional cost. A flyer outlining activities for the early release day will be distributed throughout the school prior to the day's event.

Payment Procedures

Full payment is required at registration; however, we can arrange a payment plan with individual families. All outstanding debts must be paid before your child is registered for classes. If a family has any outstanding balance due to any DHSP program, your child may not register for classes until all outstanding payments are up to date. Checks or money orders should be made payable to MORSE COMMUNITY SCHOOL with the child's name on the check. **Returned checks will be charged an additional \$25.00. Full payment must be received within 48 hours to avoid disrupting your child's program schedule.**

Refunds & Cancellations

Full refunds will be given for any classes cancelled by the Community School Program. A full refund will be given if a class is dropped after the first week. Partial refunds will be given if a child is no longer able to participate due to medical reasons with appropriate medical documentation. Classes with insufficient enrollment will be cancelled, in which case a replacement class may be selected or a full refund will be issued. No refunds will be given due to an instructor being absent; however the child will be incorporated into another class or activity for that day.

Scholarship

A limited number of scholarships are available. Please request a financial aid application from Stan Rogers in room D46 during the hours of 1:00-5:00pm. Documentation of income will be required with requests for scholarship. We welcome your contribution to assist us with scholarships for families who are in need of support. In order to increase our scholarship funding, please consider a donation to the **MORSE COMMUNITY SCHOOL** for this purpose.

Photographs/Video

All photographs and videos used on the Community School website are used with permission of parents/guardians.

Volunteer Opportunities

Volunteers are needed to assist with homework, teach an enrichment class, chaperone an early release day trip, and assist with planning or organizing a special event. Because of the nature of our program all volunteers require a CORI background check. Please consider becoming a volunteer today!

Programs for Everyone

Please let us know about any barriers you feel may prevent your child from participating in any of our activities. We are proud of our work with members of the community in creating exciting and successful enrichment programs. Please help us as we try to expand our ability to provide meaningful and accessible enrichment opportunities for all. Your suggestions are welcome.
